Domaine François Charles et Fils

Vineyards size	14,5 Hectares
Farming	Agriculture raisonnée
History	Located in the town of Nantoux near Beaune. The exploitation has existed for 6 generations. It was developed especially with the parents in the 1960 with the purchase of new plots and the beginning of the sale in bottles. In 1988, Pascal Charles settled in company with his father François until his retirement and now he is the only manager in society.
The top value of the domaine	A large range of wines with great quality From Bourgogne Aligoté to 1er Crus from Côte de Beaune, and also Hautes Côtes. White, red, and even rosé compose the range of this familial domaine. The wines are bright, with a great finesse, well balanced; some mono parcel cuvées bring style and force.
