Domaine Croix-Rousse

Vineyards size	7 hectare
Farming	Certified organic with some techniques of Biodynamy
History	This domaine is quite recent as it was created in 2005. Christophe and his wife made their dream come true ! They have bought parcels already planted with old vines (from 1941 to 1987).
The top value of the domaine	8 different grapes allow Christophe to make 2 cuvées Suve du Vent and Pierres Précieuses, each in the 3 colors. Wines with a great quality, rich, straight forward, some long elevage to reveal the power of the wines. A great aging potential on the reds.
