### History

Rodolphe Demougeot created his domaine in 1992, in Meissey in the Hautes Côtes. His great parents, who used to be winegrowers gave him the love of earth. He started with 3 hectares in The Hautes Côtes de Beaune, in Pommard and Beaune. Now, the domaine is almost 8 hectares, with more parcels bought during the last years in Savigny-les-Beaune, Monthelie and Meursault, where Rodolphe settled in 1998.

The wines

The wines have a lot of finesse, straight forward and bringing a lot of pleasure. A huge respect of the Terroir make all the wines different, showing up the nature of the soil.
