LA GRANDE RUE GRAND CRU MONOPOLE

Rouge - Grand Cru

DOMAINE LAMARCHE NICOLE

History

The domaine took several years to expand : Henri Lamarche got married with Marie Grivelet and created the domaine in the beginning of the 20th century. They already produce, vinify and sell their own bottles at the property. Their son Henri, born in 1903, took over the estate. He inherited from la Grande Rue in 1933 - which will become a Grand Cru in 1992. They got 4 kids, within François and Geneviève. François took over the domaine at his father's death in 1985. Now it's the young generation that welcomes you at the domaine : Nicole who's is the wine maker since 2006, she is François' daughter; Nathalie who takes care of all the sells part, she is Geneviève's daughter.
